Dear Mrs. Merle,

I presume that I may conclude from your invitation, that the CIRC will indeed look into the issues I have raised in my report and in particular the questions I have asked to be investigated and answered.

That is, obviously, good news and as such it is with pleasure that I confirm the date for our meeting.

Please let me know the address you want me to come to on October 8th.

I suppose this will be kept confidential.

Best regards,

Hein Verbruggen
