Dear Brian,

I acknowledge receipt of your mail and please take duly note of my reply.

I formally protest against the fact that, as a conclusion from your answer, the IC has apparently received and accepted a brief/mission from you/UCI that did not take into account my mail of [November 14, 2013](#). In this respect I am in particular, but not exclusively, referring to an investigation by the IC into the roles of WADA, USADA and Armstrong/ Bruyneel in the allegations and accusations of so-called "wrongdoings" ( which remains to be defined also ).

As a result, I reserve all rights to not participate into the IC-investigations as well as the right to fully disclose the mail exchange we had.

Best,

Hein Verbruggen

Dear Hein

The Commission is currently establishing its administration procedures and once it has a formal email address I will of course send it to you so that you can directly pass to them any item which you may wish. I will also forward to them all of your relevant emails to me.

Best regards

Brian Cookson

Dear Brian,

I would appreciate to have a confirmation from your side that in the mean time the IC-Members have received a cc of all our correspondence on this subject.

Thanks in advance and kind regards,
