Dear Hein - please can I ask you to use my UCI email address; brian.cookson@uci.ch in future. This will ensure I receive your correspondence promptly and that it is recorded on the UCI's servers.

When the Independent Commission is formally appointed and begins its work, which will be very soon, I will of course forward all relevant correspondence to them. The Commission will also of course invite you and other relevant persons to submit information as and when it sees fit.

Best regards

Brian Cookson OBE

Dear Brian,

I will come back on this answer soon and i will definitely send cc's to the people that received a bcc of my letter of the 22nd.

Could I please have a confirmation from you that you have sent cc's of my letters to the (future) IC-Members as I have requested you several times?

Best,
